

# press release

mg12 is a company that creates design products for architects and lovers of design. Their products are made in Italy and eco friendly without limiting itself in regard to materials or sector.

## **Accessories**

Design Monica Geronimi e Luca Bosetti

Nina collection

The very clean lines make this series easy to match with any taps and fittings. It consists of essential pieces such as towel rail of 30, 45 and 60 cm width, double and single hooks, toilet paper holder, liquid soap holder and brush holder. Finishes: chromed brass or natural brass, copper or bronze on request. It has been designed so that the part which is attached to the wall can be used as a template for the holes; alternatively, it can be glued if the supporting surface allows it.

Deep collection

Essential shape and striking materiality. This collection is recognizable for its easy shape, but at the same time daring. It's composed by essential products as towel rail 30, 45 and 60 cm width, double and single hooks, toilet paper holder, liquid soap holder and brush holder. Finishings: chromed brass, matt white, matt black.
